Where will you spend eternity? The Bible says that the price of sin is death, but the free gift of God is eternal life in Christ Jesus. So, how many times have you sinned? How many times have you lied, lusted, stolen, hated, used God's Name in vain? Because every time you have, you've sinned against Holy God, alienating yourself from Him – even your thinking is against Him. You will face the second death, which is eternity in the Lake of Fire!

But Jesus Christ paid for your sins, taking them and God's wrath against you, upon Himself. He shed His blood and died on the Cross in your place, and then He rose from the grave, defeating sin and death – just as the Scriptures foretold that He would!

To be reconciled to God, you must repent and trust that Jesus died for your sins. Your sins will be forgiven and God will grant you eternal life. Then you can expect God to start truly changing you from the inside out, filling you with His abundant new life and purpose! Isn't that Good News?
